

# Tri-State Business is happy to announce

## We have a NEW WEBSITE!

There are new features to our site such as a **Chat Box** in the bottom right corner and **General Inquiry Form** in the Contact Us page.

Tired of going through your e-mails trying to find a flyer we sent a few months ago? Click on the Flyer page (located under the News tab) to look back at the flyers from throughout the year.

Another new feature to our website is our **Monthly Drawing Winner Board**! We will be posting our winner on our site every month, along with having it on our drawing slips as usual.
